

## Madeline Parker vs. Emilie Parker

This is only to demonstrate the difference between the two sisters only, and not to be used towards disrespecting the Parker family.

## Picture Sources

I use Paint to cut out pictures, and stick them onto a Word 2007 document, and save it as a PDF.

I had to fit everything in one layout, so that's why it's small, but you can do a Zoom button. Also, the other pictures are in the same forum, so I don't have to repeat.

Anyways, the purpose of this was to show you that Emilie and Madeline are different from each other, from different views, when they were younger, and present. You can easily tell them apart from hair, their face, their facial expression are different from one another etc.
